A NOTE FROM THE PRESIDENT

I think we all hoped that 2021 would see the end of the pandemic but sadly that has not happened. The Omicron variant has spread rapidly and while less deadly it has still brought our health care facilities to the edge of their capabilities. We see it too in the absence of people in the shops, churches, and schools. We all see the disruptions of the supply chain as well at the stores.

We carried on though in spite of the COVID. We had all four general meetings, our election, and your board met regularly. We had guest speakers at our events; people from Dominion Energy Coastal Wind Project, Virginia Zoo, and the Virginia Beach Justice Initiative attended. We say goodbye to board members Larry Rossen and Pam Shields and hello to John Bilzor and Ron Lee.

Of course we had our three seasonal contests; the lawn, Halloween, and Holiday Lights events were active again this year as well as our egg roll in the spring. The garage sale was a rip-roaring success; most people had a good showing at their driveways. We worked hard at updating our rosters and had a membership drive which saw 10 new households enter the association. You might also note that we expanded this newsletter with more content and ads. **Bill Filbert**

Thoughts from the 1st Vice President, Dr. Richard Hamlet

If you own or manage a business, fall in love with your people. If I love you, then I'm always going to do right by you. And I used to always tell my employees, "I want you to understand what my job is. My job as your leader is to help you succeed with this customer, in this territory, in this district, in this region, in this company, and in life." But that means that if I love you then I'm going to kick you in the behind sometimes. Because you're not doing what you're supposed to be doing. I'm doing it because I care about you. I loved my people—and I don't mean it in some corny way—I mean I really believe that when I'm looking at their performance, I'm looking at my own performance. And the most important thing to make anybody successful is to truly, truly care about them.

Pearls of Wisdom from the 2nd Vice President, Wes Neal

Why Cypress Point?

I moved back to Virginia Beach in 1993 after being away for 20 years. And looking around the area, I selected Cypress Point. My first impression was the wonderful entrance with the Golf Course on both sides of the road. Then, I noticed how close Cypress Point was to many things in the area. The Interstate, Airport, Hospitals, Shopping, and Restaurants – One at the Club House you can walk to! Then looking closely at Cypress Point there are many options: Condos, Apartments, Single family homes, on the golf course, on the lakes. It was a great choice, and with two homes: one up front, and then a move to one in the back on the lake. This is a nice diverse community with good neighbors. Living in the back, I get asked quite often by drivers: "how do you get out of here"? My simple answer is: "Just follow the Sidewalk it will lead you out"!

We offer fractional CFO, Accounting, & Bookkeeping services for small business owners.

We strive to provide peace of mind in the midst of many unknowns by making difficult, confusing, & sophisticated Tax and Accounting

Tom Wood here discussing Neighborhood Watch.

This has been a tough year on all of us but the scammers and criminals seem to be doing alright. They wake up each day and go to work on their computer (sending out emails with malware attachments), work the phones (to bilk people with bogus claims), on their bicycle (to case a neighborhood for a night time raid on our parked cars) or just show up at a corner with a neatly printed sign asking for a little help.

Our only defense against these predators is constant awareness and help from each other in the community. Criminals know our dependence on the home telephone, cell phone and home computer. We have to be vigilant to keep the bad guys out of our lives by taking care not to fall into traps such as phone scams, computer viruses and emails containing malware.

Stav safe out there

NOW HEAR THIS!- From the Secretary:

As we set off on this new year in Cypress Point, it is comforting to know that your CYPtCA is again being lead by our very capable and enthusiastic board For me, it is a bit of deju vue, in that this is not the first time I have been on your Board of Directors. It is however, my first (and only?) go as Secretary.

Cypress Point really is a great place to live and your Civic Association does a great deal to keep it that way. Please show them your support by joining the Civic Association, paying dues, attending meetings and participating in the activities that they have planned. Your participation will be much appreciated and who knows, you may get a tingle of satisfaction knowing that you a part of what makes Cypress Point such a nice place to live Ron Lee

Time changes everything except who you are. I want you to understand your options and opportunities with Medicare

There are multiple plans and a large variety of insurance companies that provide Medicare Plans. You have most likely been bombarded by advertisers who often promise services that are subject to many restrictions. These ads cloud and confuse the public. It would be best to have a licensed, informed, and reliable Medicare Agent that acts as a resource for you and gives you the very best service.

That is my promise to you. I am your neighbor, and I am here to help and provide the very best advice possible

For a Free and Private consultation, please call or email Dr. Richard M. Hamlet.
