## ASSOCIATION NEWS:

**CAC (Citizens Advisory Committee) Meeting:** We had our last meeting of the CAC on 16 June. Turnout was pretty good. Guest speakers came in from Code Enforcement/Housing. The meeting are free and open to all. Next meeting will be September 15<sup>th</sup>. NOTE: The annual picnic/cookout for the 3<sup>rd</sup> Precinct will be Saturday, June 25<sup>th</sup> at their Headquarters over near the library off Independence.

**Association Meeting:** We had a lively meeting last month on the 18<sup>th</sup> where we entertained VB Traffic Engineering. They came and presented their speed study recently conducted on both sides of Club Head. Neither side qualified for further restrictions based upon the data collected by the wires across the roads or the radar cart.

**Association Dues:** Dues continue to trickle in as they always do but please make a conscious effort to take a breath, cut that check, and do your part in supporting the association. We've included a handy form at the bottom of this newsletter to make this an easy task.

**Lawn Contest:** The annual Lawn Contest was another hard fought contest. 1236 Course view was the clear winner but since it was so hard to judge beyond that we decided to just go with first place. The picture is posted on our website-see below.

**Website:** Don't forget to check out our website from time to time. Located at: <https://cyptca.com/>

**New Business Tabled at Meeting:** We introduced a proposal to amend the constitution which was somewhat too lengthy to discuss in detail. We aren't planning to go away anytime soon but based upon some other relevant experiences we figured it was necessary to add this to the constitution. It is here printed for your review, to be voted upon at the August meeting:

- a. Resolution to Dissolve: To dissolve the Association the Board of Directors must present a resolution recommending that the Association be dissolved to the active membership in accordance with the provisions of Art 13 of the VA Non-stock Corp Act as amended. A proposal for dissolution, including a plan of distribution of assets may be considered at a meeting of the active membership for which notice has been given as required by the act. The resolution shall be adopted if approved at such meeting where a quorum exists by more than two-thirds of the votes cast.
- b. Plan of Distribution: The plan of distribution shall provide for transfer of the association's assets to one or more corporations, societies, or organizations engaged in (i) activities similar to those of the association or (ii) religious, charitable, community, or educational purposes within the meaning of Section 501 (c) (3) of the IRS code
- c. Disposal of Assets: Upon approval of a resolution for dissolution this association shall cease to conduct its affairs, except insofar as it is necessary for their proper completion. The Board of Directors shall, after payment of all liabilities of the association, dispose of the assets of the Association in such a manner as the Board may determine in accordance with the approved Plan of Distribution.

### **Crime Prevention: Vishing**

Fraudulent calls or voicemails fall under the category of "vishing." Scammers call potential victims, often using prerecorded robo-calls, pretending to be a legitimate company to solicit personal information from a victim.

Perhaps you get a call about your car's extended warranty. If you answer this call and get connected to an alleged agent, you may be asked to provide information such as:

- First and last name
- Address
- Driver's license number
- Social Security number
- Credit card information

Some scammers may also record your voice and ask a question you're likely to answer with "Yes." They can then use this recording to pretend to be you on the phone to authorize charges or access your financial accounts.

### The City of Virginia Beach Will Recognize Juneteenth on Monday, 6/20 Most City offices and facilities will be closed.

Last year, City Council voted on a resolution to make Juneteenth (June 19) a permanent City Holiday. Juneteenth marks the day in 1865 that enslaved people in Galveston, Texas, the last of the former Confederate states to abolish slavery, heard that the Civil War had ended and learned that the Emancipation Proclamation had made them free nearly two years earlier. It is generally considered the oldest nationally celebrated commemoration of the ending of slavery in the United States.

In observance of Juneteenth, most City offices and facilities will be **CLOSED** Monday, June 20.
