A NOTE FROM THE PRESIDENT

It's time to put 2023 in the books and start a new year. Looking back, we put our CPERT (Emergency Response Team) in operation and started a new annual event, our fall food drive supporting the Foodbank's Mayflower Marathon. We also changed our meeting format to include a "Meet and Greet" for new members. We ran our traditional contests in the spring, fall, and winter, and had a very well-attended annual garage sale. That said though, our membership actually declined and we'll work hard on that in the new year. I'll spend the rest of this space discussing our electronic payment process for those who might be so-inclined.

You can always pay by snail mail using the form on the last page and mailing it with a check it to the Treasurer as indicated. You can also pay electronically into our PayPal account at "paypal.me/cyptcadues". If you are a new subscriber and go PayPal we would appreciate a follow-up Snail mail with just the form so we can enter your contact information into our database.

Thoughts from the 1st Vice President, David Gonzalez

Winter weather has arrived and has brought us serious cold with icy conditions, so please be aware of ice in areas that may impact us. For example, sloped driveways, door stoops, roadways, and streets. We don't normally have snow removal from our local streets until the main roads are cleared/ treated, so please drive slower and expect longer braking distances. Have a winter kit for emergencies in your car and home, especially if the power goes out or if you have a car breakdown. Keep cell phones and devices charged up, and use sparingly when power outage occurs.

**Pearls of Wisdom from the 2nd Vice President, Wes Neal**

Neighborhood Garage Sale
May 04 2024, 8AM-Noon
Rain date May 11
PARTICIPATION FEE: \$5.00

To all my friends in Cypress Point, I have decided it is time for me to step aside and allow someone else step in as the 2nd Vice President of your Civic League. For the past 5 plus years this has been a rewarding experience working with this energetic group. I still plan to continue to support Bill and his team on the Annual Yard Sales, Spring Yard Contest and Annual Christmas House contest. Based on weather this is also usually supported by the driving around the neighborhood judging the houses in an antique car. Take Care - Wes Neal

Wes-Thanks for your support and Nancy too Bill

Seasons Greetings from your Neighborhood Watch Coordinator, Tom Wood

Seniors are vulnerable to scammers more than ever. Crooks have determination and the imagination to prevail a small percentage of the time. Seniors don't have time to recover from losses due to scams. Letting your phone answering system work for you is the best defense by screening calls to weed out pesky scammers. Don't engage with scammers. Never give them personal information that can be used against you and don't feel bad by just hanging up. Political ads can be scams as well. Be sure you leave the box for auto-deposit **unchecked** or you could be making monthly donations unintentionally. Threats about taxes, outstanding warrants or jammed up family members are 100% scam material. No one will ever call you about such matters. Share your experiences with others to help diminish the effect scams have on our innocent seniors.

Why I chose Cypress Point: Ben Miller, CYPTCA Secretary

As an active duty military family, moving around is a big part of our life but for us Cypress Point is home. Being part of the community is important to us and we enjoy staying active with local activities. Being a part of the Civic Association is about being neighborly and remaining engaged in your community. Everyone is invited to join CYPTCA: young or old, single or with family, owners or renters, civilian or military. To help stay in the know with what is going on with your Neighborhood Association, we have several means of getting information out. In addition to this newsletter, monthly emails, and quarterly meetings, there is always our Facebook page, friend us at <https://www.facebook.com/CYPTCA> or you can check out our website at [CYPTCA.com](https://www.cyptca.com) – both have new and exciting changes coming soon!

Landfill & Resource Recovery Center Policies

In order to provide a safe environment for residents and Landfill and Resource Recovery Center operators and staff, the following rules and regulations are in effect. In addition, the [City of Virginia Beach Code of Ordinances Chapter 31](#) is applicable to all Landfill and Resource Recovery Center guests and employees.

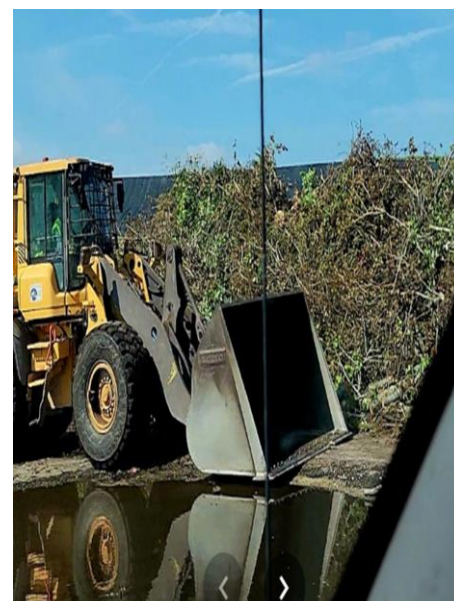

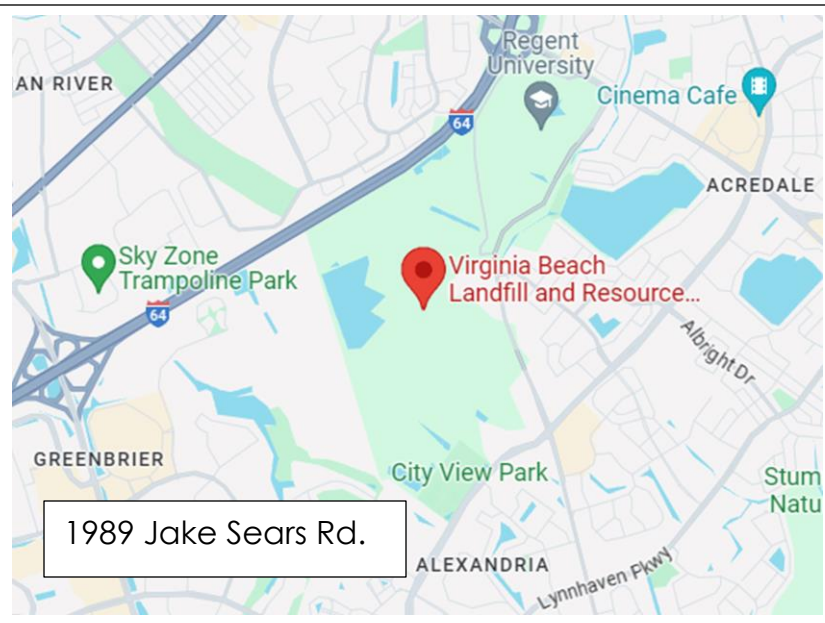

- **Proof of Virginia Beach residency is required for entry.** Acceptable proof of residency would include a valid Virginia driver's license showing the resident's primary Virginia Beach address.
 - Residents without a local driver's license must provide a Photo ID and a recent utility bill, rent receipt, or check draft with the name matching the Photo ID. Digital identification is not acceptable. The Virginia Beach resident on the driver's license or Photo ID must be present.
- **Only residential vehicles are permitted to enter the landfill for disposal purposes.** Residential vehicles are defined as privately owned, non-commercial automobiles, station wagons, passenger vans, minivans, or unmodified low-sided pick-up trucks.
 - Vehicles with ladder racks, commercial signage, work equipment, cargo vans, or panel vans are considered non-residential vehicles and are not permitted in the Landfill and Resource Recovery Center regardless of whether the materials being disposed of are from a residents primary Virginia Beach residence.
- **Trailers more than 10' (feet) in length or with a dump bed are prohibited.** Trailers less than 10' (feet) are authorized, but restricted from bringing in brush or tree branches due to the potential fire concern.
- Waste being brought into the Landfill and Resource Recovery Center, including Household Hazardous Waste (HHW) must be generated from the primary residence of a Virginia Beach resident.
- **Items to be deposited in the landfill must be placed inside of the convenience center containers.** Items cannot be left outside of the containers. The containers do not have an open end and are not below ground level, requiring all items to be lifted or pushed over the container's side. Please bring someone to help lift items, as needed.
- **Residents should advise the gate attendant of any brush, tree branches, items for the Resource Recovery Center, or items for the Household Hazardous Waste facility** in order to be directed to the correct area.
- **Residents are not allowed inside the landfill's internal operating area.** Residents should follow directions from staff members and signage.
- **The City reserves the right to refuse access to the Landfill and Resource Recovery Center when:** there is unsafe weather (high winds, lightning, icy roads, snow, or other unsafe conditions), lack of storage capacity, mechanical breakdowns, or if specific types of materials are not needed at the time.
- Authorization from the on-duty Virginia Department of Professional and Occupations Regulation (DPOR) licensed waste management facility operator is required for exceptions to these policies unless otherwise stated in City Code.

Unacceptable Items

The following items are not accepted at the landfill:

- All waste materials generated from commercial operations
- Animal carcasses
- Animal manure
- Bagged yard debris
- Boats
- Commercial tires, agricultural equipment, and industrial tires
- Dust or severely dust-laden waste
- Hazardous waste
- Heavy construction and demolition rubble
- Large quantities of cable, wire rope, and similar materials
- Large tree trunk stumps and timber over 6 inches in diameter, unless cut to firewood length (18 inches)
- Loose and bagged leaves
- Materials containing friable asbestos
- Medical waste
- Oil drums (unless both ends are cut out and rinsed)
- PCB (Polychlorinated Biphenyls) waste
- Radioactive waste
- Railroad ties and creosote-treated materials
- Special waste - including contaminated soil, pesticide containers, sandblasting wastes, sludge, etc.
- Engine blocks, transmissions, and axles, unless disassembled and drained of free liquids
- Waste deemed unacceptable by the landfill superintendent or designee or prohibited by the City's operating permit

Time changes everything except who you are. I want you to understand your options and opportunities with Medicare

There are multiple plans and a large variety of insurance companies that provide Medicare Plans. You have most likely been bombarded by advertisers who often promise services that are subject to many restrictions. These ads cloud and confuse the public. It would be best to have a licensed, informed, and reliable Medicare Agent that acts as a resource for you and gives you the very best service.

That is my promise to you. I am your neighbor, and I am here to help and provide the very best advice possible

For a Free and Private consultation, please call or email Dr. Richard M. Hamlet.
