PICKLEBALL CLINIC AND SOCIAL – JUNE 18TH FROM 6 TO 8 PM: Have you ever wanted to learn Pickleball or see what the hype is about? Come join us for a **FAMILY-FRIENDLY, FUN, AND FREE** Pickleball Clinic and Social at the Cypress Point Club House Pickleball Courts, Thursday, June 18, 6pm to 8pm. The event is **FREE and open to all Cypress Points residents and their invited guests**. We have Pickleball equipment to borrow, and friendly Pickleball "coaches" to help you learn the game. Come give it a try!

CORNHOLE TOURNAMENT AND SOCIAL – JUNE 24TH FROM 5:45 TO 9PM: We wanted to do something different this year, so we plan to host a **family-friendly** Cornhole event on June 24th from 5:45pm to 9pm. We will have an **adult tournament** bracket (*nominal entry fee*) with the chance to win **cash prizes**, and a **youth "tournament**" (*free for all "children")* where all kids earn a "prize". Please see the attached flyer and visit the following **Google link** or visit our **webpage** to sign up!

Spring Yard Sale was a success! Thank you to all the families who braved the rain showers and hosted a yard/garage sale in early May. We hope your sales were strong with more space now in your house! If you missed out or didn't sell everything you wanted, later this September we plan to host a fall community yard sale. Additional details to follow in the coming weeks.

Our Neighborhood Needs Your Help: The Civic Association wants to have more social activities, with a lineup that already includes the June Pickleball Clinic & Social, Corn Hole Tournament and Social, and August's children's Bike Rodeo (safety clinic and family bike ride). **But we need your help to be successful. Please let us know if you can assist with any of these events.** Reach out if you are interested in learning more or if you have ideas to share! Additionally, we remain in need of members of CPERT, the Neighborhood Watch team, Activities/Events Committees, and a 2nd Vice President.

… and finally, a note from the Association President: Thank you for attending our recent community meeting. We hope the session was both engaging and informative for you. Driven by your participation, we are actively expanding our upcoming neighborhood activities. We are committed to bringing in specialized guest speakers and focusing on relevant, impactful subjects that resonate with our community. We are hard at work planning more engaging community activities for our neighborhood. Moving forward, our goal is to bring in fantastic guest speakers and tailor our topics to exactly what matters most to all of us. Stay tuned!
