

SAVE THE DATE – August 4, 2026

Youth Bicycle Safety Clinic!

and

Neighborhood All-Ages Bicycle Fun Ride!!

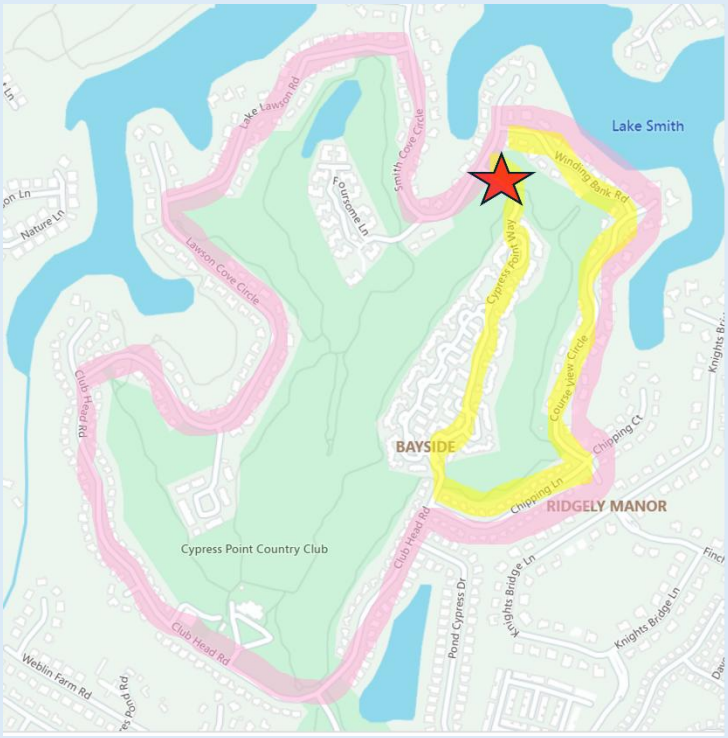

Join us the evening of **Tuesday, August 4th from 6pm to 7pm for a youth bicycle safety clinic**! The clinic will have fun and educational bicycle-related stations. Show up anytime during the event, no RSVP needed. Free snacks and other fun giveaways. Come check it out!

Following the bicycle clinic, at **7pm we will then host a neighborhood all-ages bicycle fun ride to increase community engagement**. We will offer riders an easy and kid-friendly short route or a longer but still easy route. No judgement, your choice!

The events are open to all residents of Cypress Point and their invited guests. Both events will take place at Smith Cove Circle & Cypress Point Way -- look for the pop-up tents and balloons! See map below for location and bike route details. Rain date is Aug 8th

Stay tuned to CYPTCA.COM & Facebook.com/CYPTCA for more info!
