Youth Bicycle Safety Clinic and Neighborhood Bike Ride - SAVE THE DATE! Later this summer we will host a youth bicycle safety clinic on the evening of **Tuesday, August 4th**. The clinic will have fun and educational bicycle-related stations and be followed by a short all-ages neighborhood family-friendly bike ride. Keep your eyes open for future website and Facebook postings, as well as neighborhood signs with more info.

We need more volunteer help. The Civic Association is doing our best to increase social activities in your neighborhood but really, really needs more volunteer support to be successful. **Please let us know if you can assist any of our future events.** Reach out if you are interested in learning more or if you have ideas to share!

We encourage you to join the Civic Association. If you wish to take the fun-meter up another notch, consider joining (or rejoining) your Civic Association. Dues are still just $15 annually, which you get back in the form of neighborhood activities, social events, and community engagement. Payment is as easy as 1-2-3. Bring cash or check to a future event or better yet visit our secure payment site, anytime to make your payment online at: **https://www.paypal.com/ncp/payment/2BMN9A4AUVP72**

Pickleball Clinic and Social was a Huge Success! Thank you to all our neighbors who joined us during the Spring Pickleball Clinic and Social. The weather was great and the friendship even better. Photos and short videos can be found on our Association website or Facebook page; please check out the fun we had. The event was so popular we intend to bring it back, potentially even as early as later this year.

Cornhole Tournament and Social was GREAT! We thought the Cornhole Tournament and Social was fun and it turns out so did you! Thank you to everyone who came out and participated in both our Adult Tournament and our Family Open Play. Kudos to D&D Beach Cornhole for putting on such a good event for us and congratulations to our tournament winners pictured below! Regardless of how anyone played, the real winner is the Cypress Point community, with neighbors coming out and being neighborly!
