🚗 Traffic Safety & City Council Update 🚗

I have officially sent a letter to the City Council regarding the traffic and speeding issues within our community. To address this further, I am planning an in-person meeting and neighborhood inspection walkthrough this September with District 9 Councilman Joash Schulman and our Civic Association Board.

- We need your input**!** Please reply with any specific traffic concerns or community comments ASAP so we can document and address them during the inspection.

🤝 Thank You 🤝

Finally, I want to extend a huge thank you everyone who attended our recent community meeting on August 11th. A special thank you goes out to our Civic Association Board for their hard work in coordinating and executing such a successful meeting.
