September Event Recap: Thank you to everyone who joined us for our **Fall Pickleball Clinic and Social**. It looked as if many of you have been practicing because your game is getting much better! We would also like to send a huge thank you to everyone who hosted a yard sale last month during our first annual **Fall Neighborhood Yard Sale.** A special shout out to everyone else who visited and bought a few items from your neighbors. See you all next year for our spring edition!

Contest judges needed! Do you like checking out all the cool yard decorations? If so, we have a great opportunity for you. How would you like to be one of our holiday yard contest judges? All you need is an opinion on decorations and some holiday spirit. Reach out to us and let us know.

Association Election is next month! November is when we conduct our annual vote for Association Officers (President, 1st VP, 2nd VP, Secretary, and Treasurer). If you or someone you know wishes to be nominated for one of these positions let us know as soon as possible. The official slate of officers will be released by the end of October for formal vote. Please consider throwing your hat into the ring to be a part of the Board!

November Quarterly Neighborhood Meeting: The next quarterly meeting is just a few weeks away. Join us for free food, social activities, guest speakers, and neighborly engagements. If you have any items or concerns you want to bring to our attention prior to the meeting, contact one of our Board officers before November 9th so we can do our best to address it in advance.

Cypress Point Traffic Safety: Cypress Point can be a tricky place to drive if you aren't careful. Things are made even worse by speeders (***speed limit is 25mph on all streets except Cypress Point Boulevard which is 35mph***), aggressive or distracted drivers (***pull over to text or text after you get home***), and people who fail to stop at intersections (***rolling stops do not count!***). Be mindful and considerate as you drive our streets, always watch out for children, and be sure to enjoy that relaxing ride through our neighborhood.

Cypress Point Civic Association Logo Contest: Have you ever noticed how boring our Cypress Point Civic Association logo is? See for yourself on our website. We know some of you can easily design a new logo that better identifies our neighborhood and community. Start brainstorming a few ideas and stay tuned to our website and Facebook page for contest details.
